BRAND LOCK REFERENCE

THE STANDARD AGENCY · ALEXANDRIA, EGYPT

ONE PAGE. NO DEVIATIONS. HAND THIS TO ANYONE TOUCHING THE BRAND.

COLOR

PRECISION NAVY #0A0F1E PRIMARY BACKGROUND USE FOR Page and slide backgrounds, video end cards, dark logo lockups, deck base, invoice header band. NEVER As body text on Surface Navy. Never as a headline color on any dark ground.	SIGNAL RED #E8203A ACCENT ONLY — RESERVED RESERVED FOR The logo bar, one key word per headline, CTA buttons, section eyebrows, the guarantee panel, invoice total row. NEVER Body copy, paragraphs, invoice line items, large flat fills (the guarantee panel is the one exception), or two accents in one headline.	COLD WHITE #F0F2F5 TYPE & LIGHT BACKGROUNDS USE FOR All headlines and all body copy on dark grounds. Light document backgrounds: invoices, proposals, contracts, printed leave-behinds. NEVER Pure #FFFFFF anywhere. Cold White is the only white in the system.	SURFACE NAVY #1A2340 UTILITY TONE — NOT A BRAND COLOR USE FOR Cards, panels and table rows sitting on Precision Navy. Structure only. NEVER Logo backgrounds, type, or anything a client would call "a TSA color". It is never quoted in a palette.

TYPOGRAPHY — TWO FACES, NO EXCEPTIONS

BARLOW CONDENSED 800 USE FOR Headlines and subheads. Section titles. Invoice and proposal titles. The logo wordmark. Numbers and stats (percentages, dimensions, prices). CTA button labels. Video lower-thirds and end cards. NEVER Paragraphs of any length. Never below 8pt. Never a weight other than 800 — no Bold, no Regular, no italic.	Inter Regular 400 USE FOR Every word that is not a headline: body copy, paragraphs, captions, invoice line items and descriptions, terms and fine print, table cells, email body, form labels, footnotes. NEVER Headlines. Never the tagline. Never all-caps at display size. Weights 400 for body, 500–600 for labels only.
---	--

TAGLINE

Grow the standard. › Goes: under the logo in the sign-off lockup, email signature, invoice footer, proposal cover, deck closing slide, website footer, social bio. › Set as: Barlow Condensed 800, sentence case, period included, "standard" in Signal Red when on a dark ground. › Never: all-caps, in Inter, as a post headline, split across lines, without the period, or paired with any other tagline. › Retired: "The Only Agency In Alex That Guarantees Your Results." Do not reuse it anywhere.
--

LOGO — LOCKUPS, CLEAR SPACE, MINIMUM SIZE

THE STANDARD AGENCY PRIMARY WORDMARK MIN 32MM / 150PX WIDE	ITSA COMPACT MARK MIN 12MM / 56PX WIDE	THE STANDARD AGENCY ON RED — BAR FLIPS WHITE CAMPAIGNS ONLY	THE STANDARD AGENCY ON COLD WHITE INVOICES, PRINT, DOCS
ITSA CLEAR SPACE		CLEAR SPACE Keep a margin equal to the height of the red bar on all four sides. Nothing enters it — no text, no edge, no other logo. BACKGROUNDS Precision Navy, Cold White, Signal Red, Surface Navy, or a dark footage still under the gradient scrim. Never on mid-tone or busy footage without the scrim, never on a colour outside the system, never stretched, rotated, recoloured, or with the red bar removed.	

DRIFT CHECK — SEND IT BACK IF ANY OF THESE ARE TRUE

✗ A hex outside #0A0F1E / #E8203A / #F0F2F5 (#1A2340 for panels only) ✗ Pure #FFFFFF used instead of Cold White	✗ A third typeface, or Barlow at a weight other than 800 ✗ Red on a paragraph, or more than one red word in a headline	✗ The old guarantee tagline anywhere on the file ✗ Logo without its red bar, or with anything inside its clear space
